

# IT'S TIME:

## Canada's Strategy to Prevent and Address Gender-Based Violence (GBV)

Launched: June 19, 2017

### VISION

The Government of Canada's response to prevent and address GBV against women, girls, LGBTQ2 and gender diverse people

### GOALS

- Reduce GBV
- Improve health, social and justice outcomes for individuals who have experienced GBV

### ACTIONS

- Change the social norms, attitudes and behaviours that contribute to GBV
- Increase support in the health, social services and justice systems for individuals who have experienced GBV
- Support policies, programs and initiatives that are evidence-based and reflect the unique experiences and needs of diverse groups

### FUNDING

New investments to support community-based organizations, surveys and research

### PILLARS

- 1 Preventing GBV
- 2 Supporting survivors and their families
- 3 Promoting responsive legal and justice systems

### PARTNERS

Federal departments, national Indigenous organizations, researchers, non-governmental organizations, service providers, survivors, provinces and territories

### GBV KNOWLEDGE CENTRE

Focal point for governance and coordination, reporting and evaluation, data and research, and knowledge mobilization
